

## PRESS RELEASE

### 336<sup>th</sup> District Court Felony Dispositions for June, 2016

Richard Glaser, Criminal District Attorney, released a list of people who entered into plea agreements with his office during the June dockets before Judge Laurine Blake of the 336<sup>th</sup> District Court of Fannin County. The following individuals either entered guilty pleas and accepted responsibility for their conduct without further court action or their cases went to trial and a Fannin County Jury rendered the verdict and sentence indicated. For the month of June, there were 26 new cases indicted.

Seven of the cases disposed of involved felony driving while intoxicated. The District Attorney's Office approach to this severe problem continues to be one of no tolerance for DWIs. Our no refusal program is in effect 24/7. Of the seven cases finalized this month, two defendants were sent to prison for either 7 or 12 years, two were sent to SAFPF (*Substance Abuse Felony Punishment Facility*) and the other three were referred to Fannin County's Drug Court Program. This no nonsense approach should be a warning to anyone before they choose to drink and drive in Fannin County.
