

## PRESS RELEASE

### Grand Jury Proceedings Have Been Deemed Essential Proceedings

Criminal District Attorney Richard Glaser reports that on Thursday, May 21, 2020, the Grand Jury met to review evidence in fifty-eight (58) cases presented for their consideration. The Grand Jury returned fifty-six (56) true bills or indictments. One case was No Billed and one case was passed for further information. The Fannin County Grand Jury has returned 169 true bills of indictment so far in 2020.

As in April's session, special arrangements were made for the safety of the Grand Jurors as well as the other participants. The usual Grand Jury "room" provided by Fannin County did not provide enough separated space consistent with social distancing. District Judge Laurine Blake relinquished her courtroom so that sufficient space allowed for those involved to be separated for social distancing.

It is important to note that an indictment is a formal charge and should not be considered as evidence of guilt and that all persons charged with a crime are presumed innocent until proven guilty beyond a reasonable doubt.

The following people were indicted for the criminal offense and range of punishment indicated:
